

Company – Fleet

This is a listing of all aircraft in the Company’s three (3) Fleets containing operational details about each one.

 Our Fleet

 All 

It can also be sorted in any of these ways noted in the graphic below. **All** is the default. Select any other **Fleet Name** from those in the drop-down to view *only* those aircraft in that Fleet. Your choices are as follows:

All | Cargo | Charter | Scheduled

These are the **Average Landing Rates** for all aircraft in their respective Fleets.

 Walker Air Cargo
-235 fpm
Average Landing Rate

 Walker Air Express
-159 fpm
Average Landing Rate

 Walker Air Transport
-227 fpm
Average Landing Rate

These are the stats available for every Company aircraft. What's shown below are **all** aircraft. **NOTE:** To see an aircraft in a specific fleet, sort the list by clicking **Operations** and scroll to locate it. To return the page to its original state, click **Aircraft**.

The list can be sorted. Click on the column header to do so. To return the to the default view, refresh the page – **or** – click the Aircraft column header. **NOTE:** This is only a partial view of the entire page.

Aircraft	▲ ICAO	Operations	Flights	Hours	Miles	Landing Rate	Last Flight	Range	Ceiling	MTOW	Cruise
▶ Airbus A300	A306	Scheduled	320	770.27 hrs	265,395 nm	-232 fpm	2022 JAN 22	4,050 nm	40,000 ft	363,763 lbs	450 kts
