

# Deleting a PIREP

## How to delete your PIREP?

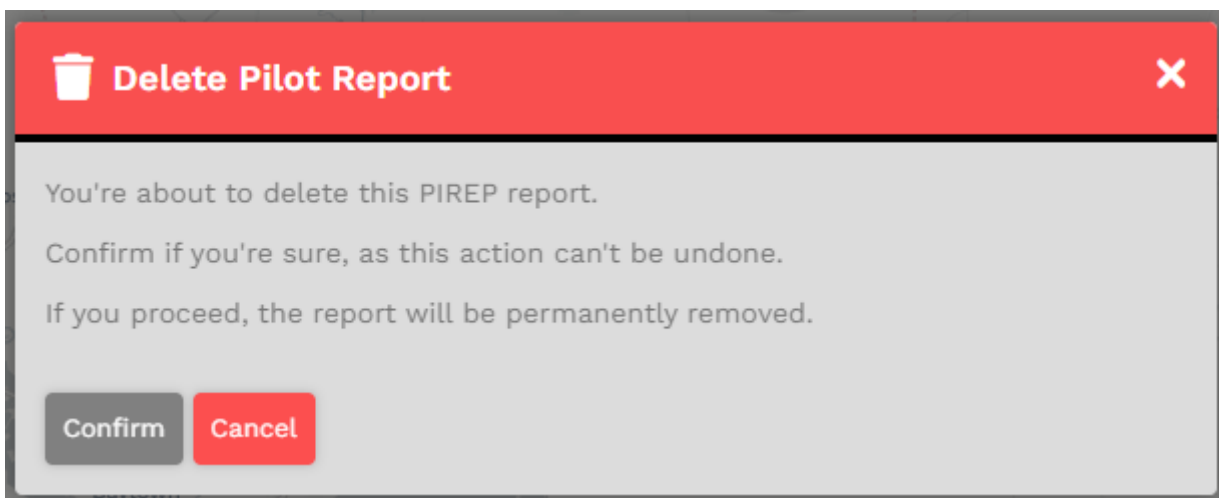

Pilots have a **72 hour** clock after submitting their flight to delete it. After that, the option is disabled and you will be unable to remove the flight.

*Staff will not remove flights for pilots that fail to use the 72 hour window.*

You can find the delete button on the top banner of your PIREP next to your submitted time (remember, you only have 72 hours.)

Click on that button and a warning will pop up asking you to confirm.

Once confirmed, the PIREP will be removed.

**Tour Flight:** if the flight deleted was your recent leg for a tour, you will be pushed back to the previous leg so that you can complete the leg again.

*This is not recoverable. If you delete your flight, it is lost for good.*

## Restrictions

You will see a disabled trashcan on certain flights that cannot be deleted.

	<p><b>Tour Completed</b></p> <p>You cannot delete a flight if a tour is completed.</p>
	<p><b>Not the last completed flight for the Tour</b></p> <p>You cannot delete a flight unless it the most recent leg completed.</p> <p>We do not want pilots on leg 8 of a tour, and delete leg 5 and get pushed back to leg 5.</p>
