

Use Any Aircraft Livery

In order to continue promoting the Walker Air Transport brand, we do not allow Patreon's to use their benefits in official Walker Air Transport events. If you are participating in an event, you must fly with our colors and your official Walker Air callsign.

You are exempt from our PIREP review process that checks for the use of Walker Air Transport liveries. This exemption allows you to fly using any real-world airline livery under our "Fly As Any Other Real-World Airline" benefit or any private aircraft livery of your choice. There's no special process required for bidding—simply place your bid, choose your flight, and proceed as usual.
